

# CULTURE CLUB

Upstream Arts • Highland Friendship Club • St Paul JCC

This spring, Upstream Arts, Highland Friendship Club and the St Paul Jewish Community Center are joining forces to offer Culture Club, an exciting arts program for young adults. Each week we will attend a play, performance or visit a cultural institution in the heart of St Paul's Cultural District. The next day we will meet up at the St Paul Jewish Community Center to discuss these art experiences, and participate in interactive arts activities led by Upstream Arts' teaching artists.

Join as we head to the Ordway to see a great show or the Fitzgerald to check out some ballet.

You will learn how to appreciate and enjoy many different art forms all while having fun socializing with your peers.
